### Tour Cost is \$680.00 Per Person

The cost of \$680.00 per person includes all travel arrangements, lodging, two meals per day, sightseeing trips, admission to all scheduled attractions, transportation of instruments, festival and concert expenses- just about everything except:

- a. Your own personal clothing and other personal traveling articles.
- b. Your own personal spending money for souvenirs.
- c. Your own great attitude.

Preparing the Philharmonia for this prestigious festival will be the primary focus of our performances this season. Since we are being adjudicated as an organization and competing with other similar groups, we must be a dedicated, single-minded team with victory as our objective. In order to ensure proper instrumentation, all members of the Philharmonia are expected to participate in this tour.

This is a tremendous opportunity to show our worth to the music community locally and in two of our neighboring states. The excitement we generate will inspire people for generations to come. We look forward to sharing this with you.

**-Chaperones-**

Chaperones are an essential part of a great tour. They are responsible for the general health, safety and welfare of the students. They are called upon to encourage tour rules and curfew, as well as to nurture sensitive feelings. There will be occasions during the tour when chaperones and their assigned students will spend free time together. Chaperones must be creative in planning activities for these times. The most important duty of the chaperone is to have fun and to make sure that the students do, too. A reduced tour fee is offered to qualified chaperones twenty-one years of age or older. Interested? Please call Brent Taylor (801) 377-5885.
